25X1X

1. An airfield is under construction in the vicinity of Finsterwalde, under Soviet supervision, with a landing strip 2500 meters long and 60 meters wide. Nine hangars are being built under the protective covering of the adjoining woods. Underground gasoline tanks are also being built at the field, fourteen of them with a capacity of 14,000 liters each, and seven with a capacity of 11,000 liters each.
